PETITION TO THE HOUSE OF COMMONS
IN PARLIAMENT ASSEMBLED

We, the undersigned residents of Canada draw the attention of the House to the following:

THAT, this summer nearly two million sockeye disappeared from the Fraser River between Mission and the upriver spawning grounds. Preliminary escapement reports indicate that fewer fish are on the spawning grounds in 2004 than after the 1914 rockslide in the Fraser River at Hells Gate.

THEREFORE, your petitioners call upon Parliament to

Establish a Judicial Inquiry into the management and circumstances of the 2004 Fraser River salmon fishery.

Ensure that the Judge undertaking the Inquiry possesses the authority to recommend any interim precautionary regulations necessary to protect the fishery prior to the completion of the Inquiry.
