Dear Mr. Cummins:

Thank you for your letter dated September 12, 2005 regarding the intention of some to use the commercial openings this week as cover to launder the considerable quantities of 'food' fish now held in cold storage.

The RCMP Department of Fisheries and Oceans Liaison Officer has shared your concerns with the Department of Fisheries and Ocean's Director of Conservation and Protection. He was already aware of your identified concerns. Given that this matter falls under the mandate of the Department of Fisheries and Ocean, they will be conducting inquiries into your concerns and will respond to you directly.

Yours truly,
